

Farm Supply Program

Yates and Associates Insurance has been in business for nearly a decade and a half. Rodda Yates-Dunham grew up in the farming industry. Her father has been in the cattle and lamb business for 50 years and needless to say, Rodda showed cattle and lambs as a youth. Rodda wrote a program policy designed specifically for the Farm/Ranch/and Farm and Ranch Supply industries. Yates agency, with a collective experience of over 30 years, takes particular pride in serving these industries with a laser like focus on service, competitive pricing and an awareness of the needs of their clients resulting from personal experience.

OUR PROGRAM IS DESIGNED FOR FARM/SUPPLY/FEED STORES

The program includes:

- Business Owners Policy which is made up of a General Liability policy, Building coverage, Contents coverage, and Equipment coverage.
- Business Auto policy and Workers Comp

The program is priced from 9% to 13% less than the market place today.

The additional coverages include:

- Accounts receivable
- Loss of business income and extra expense for 12 months (with actual loss sustained)
- Pollution Liability
- Spoilage (mold)
- Monies & Securities
- Equipment and Tools
